

Knight Aviation & GB Air Taxi

AIRLINES

Introduction

As a member of Knight Aviation, you have the ability to fly for any airline within our system. The only restriction that may apply is the number of flight hours you have. When you first join, and for your first 15 hours, you will be restricted to:

- General aviation
- Business jets (including the Airbus A320 Prestige)

We recommend that you start your career with us by placing yourself at either of the following locations to ensure you have access to flights:

- Blackpool (EGNH / BPL)
- Glasgow Prestwick (EGPK / PIK)
- Leeds Bradford (EGNM / LBA)

This document will be updated as new airlines are added to our system.
